

## MEAT ORDER FORM 2016

DD Ranch's 100% grass-finished beef and naturally raised pork is available for purchase. If you are interested in Beef, you can purchase a whole, half or quarter. We also sell whole or half a hog. (If you want smaller quantities, visit our website, [www.ddranch.net](http://www.ddranch.net) for information on where to purchase, or you can visit the ranch located at 3836 NE Smith Rock Way, Terrebonne.

**HOW IT WORKS:** Beef is sold by the pound at its hanging weight, which is determined at the butcher's. Hanging weight is the meat carcass less the head, skin, hoof and entrails. The average hanging weight of a whole cow is 630 pounds +/-63%. This is the weight used to calculate your cost for the beef. The cost for DD Ranch beef is \$ 5.75 per pound hanging weight. The butcher will cut the beef according to your instructions and package it for you. The packaged weight of beef you receive is usually 378 pounds +/- 50% because of the cuts you request, as well as the removal of bones and fat.

Pork is more efficient, but is handled similarly to beef. Pork is \$ 5.75 per pound hanging weight.

**TO ORDER:** Fill out the form below. The butcher will contact you to arrange how you want your order cut. You will be invoiced and payment is due at that time in the form of cash, check, Visa or MasterCard. When your meat is ready, you can either pick it up or pay to have it delivered.

### Purchaser's Information
